

GLACÉAU vitaminwater™

glacéau vitaminwater at the cannes film festival

what: la plage vitaminwater will be the destination "recovery spot" for guests to relax, get fit, pampered and hydrated at the 2009 cannes film festival, after the previous night's activities. from 10 am and 6 pm, if you're feeling a little under the weather, grab a glacéau vitaminwater **revive** and be treated to manicures, reflexology and some relaxing time in the sun.

from 11 am – 2 pm, la plage vitaminwater restaurant will be available for private luncheons and meetings, and will be the ideal spot to talk shop, get the dish, and give you the perfect excuse to say "let's do lunch."

for our media friends that are working long hours and need a boost of **energy**, la plage vitaminwater will provide a media lounge to host interviews, media stand-ups, photo shoots and a place to connect to wi fi, file and print everything you need to keep plugging through the week.

at night, la plage vitaminwater will transform into the hot spot for cannes party-goers, hosting pre-screening cocktails and exclusive dinners between 6 – 8 pm and then star-studded after parties between 10 pm – 2 am. with beats spinning, food being passed, celebs chilling, and people being powered by glacéau vitaminwater **power-c**, la plage vitaminwater will be the ultimate destination at cannes this year.
